

I live in a small community and really appreciate the Christian Radio station K-Love. When our original station WAYFM went out of business, K-Love stepped in and continued to provide quality music for my family and me. I feel K-Love does a tremendous job provide quality programming for our community and kids. I am really tired of hearing cussing and nasty jokes on the other stations and hate to have my family hearing that, too. I am afraid that if LPFM is allowed priority, I will not have the same family-friendly programming I have come to enjoy. I believe the services provided K-Love is in the best interest of the public and our community.
